

Myles R. Stomberg
Project Manager

Education:

Associate of Arts - Electrical Design Technologies
Anoka Technical College - Anoka, MN

Experience:

Mr. Stomberg has 12 years of experience in designing, programming, and implementing projects in the industrial controls market. He has concentrated in the areas of Process Control System Integration, construction management, process start-up and shakedown, operator/maintenance training, and on-site calibration of instruments. Mr. Stomberg was instrumental in the successful PLC programming, Operator Interface programming, and startup of the Pillsbury Ammonia Refrigeration System at Allentown, PA.

Skill Set:

Wonderware InTouch	AB RSView	Microsoft Access & Excel
Visual Basic	AB PanelView	AB PLC's

QNX	Moore DCS	Intellution Fix 32 & iFix
ControlNet	DeviceNet	PacSci Motion Controllers
Others		

Representative Project Experience:

ConAgra - Lock Out Tag Out (Investigation, Documentation, Recommendations)
Menomonee, Wisconsin

General Mills Safety Projects (Design, Documentation, Recommendations)
Belvidere, Illinois

Nestle Refrigeration Upgrade (AB PLC 5, AB Basic Module w/ RS422 Comm., iFix)
Eau Claire, Wisconsin

Nestle Dole Line Upgrades (AB ControlLogix 5500, ControlNet, EtherNet, iFix)
Eau Claire, Wisconsin

Syngenta Seeds Safety System (Design, Implementation, Documentation)
Phillips, Nebraska

Minnesota Brewing Company Bottling Line Upgrade (AB ControlLogix 5500, ControlNet,
DeviceNet)
St. Paul, Minnesota

Pillsbury Buckeye Project (AB Panelview, AB PLC 5)
Wellston, Ohio

WFMB Engine Room Y2K Compliance (TI 505, WonderWare InTouch)
Beaver Dam, Wisconsin

Myles R. Stomberg
Project Manager

Representative Project Experience (continued):

Pillsbury - Big Chill Ammonia Refrigeration Project (RS View, AB PLC 5)
Allentown, Pennsylvania

General Motors (RS View, AB PLC 5)
Saginaw, Michigan

General Mills - Multiple Projects (Realflex, AB PLC 5)
Chicago, Illinois

Novartis Seeds SCADA (Redundant) Systems
(WW InTouch, Redundant WW InSQL, Redundant MSSQL, Crystal Reports, Active Factory)
Paris, Illinois • Phillips, Nebraska • Lone Tree, Iowa
